MOMOKAWA | ORGANIC NIGORI

USDA Certified, Momokawa Organic Nigori is brewed specially using premium organic rice grown in the Sacramento Valley.

It's an idea. An attitude. A belief that there is something more just waiting to be discovered. It drove the pioneers across the Oregon Trail and our microbrew and winery friends to change laws and start a revolution in craft beverage that has become a hallmark for Oregon.

Momokawa is America's premier craft saké brand, brewed with that revolutionary passion to craft the greatest possible expression of what we love.

TASTING NOTES

Rich and silky layers of coconut and cream with a big burst of fresh pineapple and a hint of banana.

SUGGESTED PAIRINGS

Delicious with spicy noodles & soups, tropical fruits, and chicken dishes.

BREWERY

Momokawa Organic Nigori is brewed by SakéOne, America's foremost producer and importer of craft saké, where Brewmaster Takumi Kuwabara continues to expand on 28 years of brewing expertise, melding a diversity of cultures into dynamic premium handcrafted saké.

Tapping into idyllic Willamette Valley water sourced from the Coastal Mountain range in Oregon, and exclusive Calrose rice grown in the renowned region of Sacramento Valley, CA, SakéOne is driven by an uncompromised spirit to produce the highest quality saké possible.

JUNMAI GINJO NIGORI DEFINED

Junmai indicates the saké is brewed with only rice, water, yeast, and koji.

Ginjo indicates the saké is brewed with rice milled down to 51-60% of its original size.

Nigori saké is coarsely filtered to allow flavorful and aromatic sediments to remain, creating a creamy, cloudy, and generally sweeter beverage.
