SAKE WITH REAL FRUIT

SHEZEN | REAL PEACH

We take our inspiration from Shizen, the Japanese word for nature. We start with real fruit to create a harmonious drink unlike any other.

The taste of Japanese white peaches is preserved in this creamy sake, full of juice and rich flavor. Enjoy chilled, straight, on the rocks or with soda.

In order to express the taste and flavor of peaches in SHEZEN Real Peach, we wanted to create a flavor that could be used as a cocktail. We peeled peaches, removed the seeds and the hard parts, then mashed them before adding sake to create a nectar-like flavor.

TASTING NOTES

Our Real Peach bursts with fresh peach flavor to dazzle your palate. Served chilled, it is pure bliss. As a mixer, it will brighten up mimosas, margaritas, daiquiris, piña coladas, and screwdrivers. The possibilities are endless!

SUGGESTED PAIRINGS

An excellent pairing for pork chops, light pasta dishes, deli sandwiches and baked cobblers.
